

S.O.S.

Secret Optimistic Support

There is no denying that because of the current crisis our world is facing, we are longing for the personal connection that comes along with attending church regularly. We miss the interaction - the smiles, the hugs, and the laughter of our church family. In an attempt to help bridge the gap that has formed because of social distancing and being self-quarantined, the joint council of St. Paul's Highfield and Hebron Lutheran Church began brainstorming ways to help keep us all connected, and to build more personal relationships among our two congregations. That is where this idea comes into play.

At the bottom of this sheet, you will find an area to fill in your name, address, and a few facts about yourself. You can choose to participate solo, or include all members of your family in this activity. After sending the completed sheet to the church office, we will gather all responses and "mix" them together. Your information will be given to a "secret" member of the church, and in turn, you will receive information for another "secret" member.

You can use this information as a guide to send along encouraging, supportive, and thoughtful correspondence to your secret church member - for example: a card, a poem, a picture, or, should you so choose, even a small gift. We would like to make this an ongoing activity over the summer months, with a "reveal event" to be scheduled at a later date. Remember, this is to be a SECRET activity - be sure to keep your anonymity at all times!

If interested, please fill out the bottom of this sheet as soon as possible and return to the church office. The deadline for all responses is Wednesday, May 20th.

S.O.S. Participation Sheet

Please return to the church office by Wednesday, May 20th!

Name(s) _____

Address _____

Birthday(s)/Anniversary _____

Favorite church hymn _____

Favorite bible verse and/or favorite bible story _____

Favorite hobbies _____

Favorite candy/snack _____
